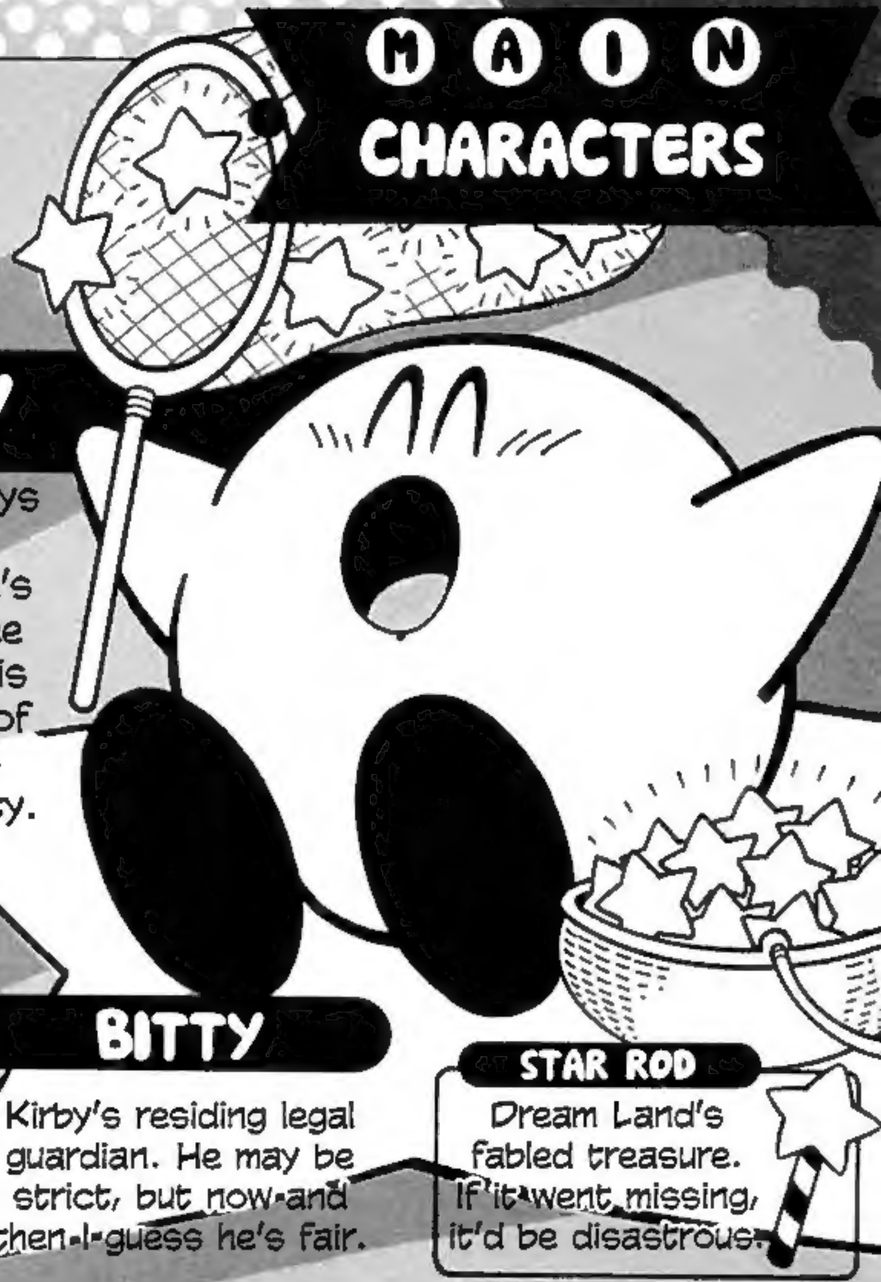
MAIN CHARACTERS



KIRBY

With his stomach always rumbling, he's got a super big appetite. He's also the most carefree guy in the universe. His special skill consists of swallowing an enemy, and copying their ability.

BITTY

Kirby's residing legal guardian. He may be strict, but now-and then-I-guess he's fair.

STAR ROD

Dream Land's fabled treasure. If it went missing, it'd be disastrous.

KING DEDEDE

The peace of Dream Land is threatened(?) by this villain. Even so, he's a dimwit.

POPPY

His majesty's number one underling. He's surprisingly tough.
